Announcements

The April service project will be done the night of our monthly meeting. It's going to be packed full of fun little projects for every different level of crafting ! •We will create a memory box filled with candy, a decorative frame & handmade card for the "Unlimited Possibilities" residence: dementia and memory care.

We will also decorate gift bags and donate money to Bright Blessings: help for the homeless children.

Lastly , we have extra school supplies donated to us by our wonderful members. Those will be packaged and given to our member, Tracy Questell, She created Healing Vine Harbor . It is a place where women may rest and find help weathering the storms that life can throw their way. Women will be fed spiritually, emotionally and physically. We are here to help transform lives one woman at a time by empowering them through education, life skills training such as financial literacy, employability readiness, self-development, emotional support and much more.

Message from Co-Presidents

The annual MHWClub Card Party was once again fabulous! The food was delicious and plentiful. The silent auction table was beautiful and offered so many exciting things to bid on. Everyone had a great time playing cards or other games. Many, many thanks to Toni, Pat, and all those involved in putting together another awesome fundraiser.

Andree West and Marilyn Fargo have graciously accepted the nomination to put their names on the ballot for co-presidents for next year. We continue to take nominations for two positions available on the board for next year: Vice-president and Service. Please contact us if you would be willing to fill one of these positions. The slate will be presented for a vote at the April meeting.

March Meeting Recap

March Monthly Meeting Program – “Picture Me Organized”

We were honored to welcome Lisa Brueggemann to the MHWC March Meeting on the 11th. Lisa is an entrepreneur who transitioned a hobby into a passion and then into a successful business with a national clientele that has been featured on WNCN's Charlotte Today.

Lisa's "Picture Me Organized" company (<https://www.picturemeorganized.com/>) is a photo organizing service dedicated to helping clients organize, curate and preserve their most precious memories - the photos and videos that tell our stories and become our legacy.

Lisa generously shared her three-step plan as well as tools, tips and resources to help get all our cherished photos and videos organized and properly stored so they can be enjoyed now and saved for posterity!

Silent Auction/Raffle Basket Review

FUNDRAISER FOOD - RAFFLE & SILENT AUCTION

We ladies outdid ourselves like never before! We fed approximately 170 folks with food provided all by our membership. Our food committee was delighted with outpouring of participation from our members this year.

Ann Newman and Beth Hamrick and their committee members (Lois Carr, Marilyn Folsbee's, Becky Hamilton, Ann Litaker, Annette Pace, Ann Sharpe) kept the beverage cups full, refilling many plates, and food hot. Many of our guests remarked how pleased they were with quantity and quality of food!

Our fundraiser was structured to earn money not only by selling tickets but tempting our guests with large array of items to purchase. Our Basket/Plant raffle offered 22 baskets and 3 live plants which kept Carol Hull and Marina Moore constantly busy explaining and selling. Then there was the silent auction that offered 161 items. All baskets were assembled and decorated by Marilyn Fargo and Andree West that had festive/cute tags made by Mary Blinn and Terri Hood. Our 50/50 Raffle provided our winner, Marilyn Fargo, and our club to each earn \$226! Another outstanding year to AnnaMary Mosher and Linn Nichols on hustling to sell soooooo many tickets!

There were 19 members who were persistent enough to obtain item(s) from approximately 80 merchants/organizations. All of these items contributed significantly to proceeds from our Basket Raffle and Silent Auction. Attached is a chart that lists those merchants who were especially generous with their donations and our local artists who donated their creations in support of our fundraiser. Let's remember them with our patronage.
