Christmas Party Program

Servant's Heart Christmas Assistance Program

In December we will have a very special program. Each member will bring a new toy which will be donated to Servant's Heart, a new non-profit in Mint Hill. Each member should donate a toy for boys and girls, aged 0-12 valued in the amount of \$10-\$15. Kim Rhodarmer from Servant's Heart will provide a brief overview of their mission. **These toys should be unwrapped with price tags.** They will be disbursed to qualified families starting December 12– Dec 23. We will follow this with a short holiday game.

We are also asking each member to bring a dish to share. There will be a **Perfect Potluck** sent out around December 1st for all members to sign up for the dish they plan to bring. Please make sure you sign up for a sweet, savory or salty item. Food should arrive at 6:45 p.m. Please make sure you bring your own utensil. We will meet in the Assembly Room and eat in the Flex Room first.

Look forward to seeing you in December!
Theo Black, VP

We will also be taking group pictures for website and Facebook that evening.
